Case No. 800-2015-013726

Public Letter of Reprimand

An investigation by the Medical Board of California revealed that you used a gastrointestinal cocktail as a diagnostic test and failed to perform appropriate diagnostic evaluations to exclude emergent conditions in your care and treatment of a patient.

These actions constitute a violation of California B&P Code sections 2234(b) and 2234 (c) - gross negligence and repeated negligent acts.

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California.
